Professional Experience

Customer Success & Onboarding Specialist | [PDI Software Solutions LLP](#) | Chennai, India *Sep 2020 – Present*

- Managed end-to-end SaaS onboarding and customer success for 10k+ US-based enterprise and SMB clients across multiple time zones, overseeing the full deployment lifecycle of PDI CStore Essentials in diverse retail environments.
- Developed and maintained onboarding playbooks and standardized communication templates, reducing average time-to-value by ~30% and improving first-month CSAT scores by 20%.
- Monitored customer health scores and proactively identified at-risk accounts, reducing churn risk and improving account retention rates through timely escalation and stakeholder engagement.
- Executed 50+ remote installations, configurations, and software upgrades on Windows 7–11 systems, cutting setup-related escalations by 40% and minimizing customer downtime.
- Troubleshoot complex Windows, networking, POS, and router issues; consistently resolved 90%+ of tickets within SLA and maintained a first-contact resolution rate above team benchmarks.
- Managed customer data, support tickets, and workflows across HubSpot, Salesforce, and Intercom — ensuring accurate documentation, timely follow-ups, and full audit trails.
- Led QBR-style account reviews and cross-functional escalation calls with engineering teams, improving resolution quality and earning multiple Client & Management Appreciation awards.
- Delivered multi-channel support (phone, email, live chat) to US clients across EST, CST, and PST time zones, consistently meeting or exceeding SLA and quality benchmarks.

Associate Professional – Quality Analyst | [Sutherland Global Services](#) | Chennai, India *Aug 2019 – Sep 2020*

- Served as Quality Analyst for Amazon.ca and Amazon.com support operations across phone, email, and chat channels, monitoring 200+ interactions per month against quality benchmarks.

- Identified process gaps through root cause analysis and implemented corrective QA procedures, contributing to a 15% improvement in team quality scores over two quarters.
- Trained and mentored 10+ frontline agents on quality standards, CRM tool usage, and compliance requirements, improving overall team performance and consistency.
- Produced weekly and monthly quality reports for management, translating data insights into actionable coaching plans and process improvements.

Technical Support Executive – Microsoft Windows | [Sutherland Global Services](#) | Chennai, India
Dec 2017 – Aug 2019

- Provided global chat-based technical support for Microsoft Windows OS (Up & Running Department), resolving 95%+ of OS installation, upgrade, and configuration queries within SLA.
- Delivered consulting and migration guidance to help customers transition to newer Windows versions, improving post-upgrade satisfaction scores and reducing re-contact rates.
- Diagnosed and resolved hardware, software, and connectivity issues using remote support tools; maintained detailed case documentation to build a reusable team knowledge base.
- **Awarded Best Employee of the Year and CSAT Top Performer** — Microsoft Process, Sutherland (2019).

Customer Support Executive | [Sutherland Global Services](#) | Chennai, India *Jun 2017 – Dec 2017*

- Delivered customer support for Acer India across product inquiries, warranty claims, and service coordination with Authorized Service Partners, consistently meeting CSAT and resolution SLA targets.
- Built foundational skills in SLA-driven support environments, CRM documentation, and multi-channel customer communication.

Education

Bachelor of Engineering – Aeronautical Engineering

St. Peter's College of Engineering and Technology, Avadi, Chennai | 2013 – 2017
